The Concord Township Trustees met in special session on Tuesday, January 30, 2018 at 8:00 am at the new (5151) Bean Oller Road property to discuss future cemetery use of the property.

Trustee Johnson called the special meeting to order at 8:00 am. Trustees Johnson, Garrett, and Haney were all in attendance, along with Operations Director/Fire Chief Todd Cooper and Joe Holloway, Concord Township Road Superintendent.

The Trustees inspected the buildings and discussed different options for the buildings, such as storage for cemetery equipment, and/or demolition.

The Trustees looked for the most logical cut-through from the current Oller Cemetery to the new Keller section.

The Road Department is going to do test diggings to determine the depth of bedrock throughout the property.

Options for the next step were discussed, such as planning the layout of the road system, and the process of surveying out individual plots for burial.

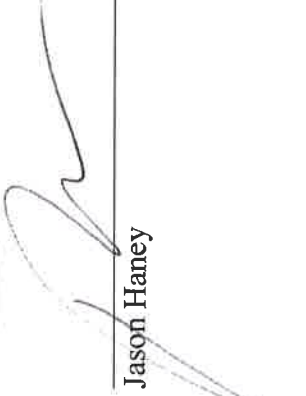

Trustee Garrett moved to adjourn. Trustee Haney seconded the motion.
Vote: Johnson-yes, Garrett-Yes, Haney-Yes.
