The Concord Township Trustees met in special session on Thursday, March 8, 2018 at 9:00am at the Concord Township Administrative Building, 6385 Home Road, Delaware, Ohio.

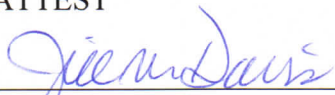

Trustee Johnson called the special meeting to order, and attending were Trustees Johnson, Garrett, and Haney.

The purpose of the meeting was to meet with district postal representatives and discuss postal recommendations for cluster mailbox units in new developments. The Trustees have previously approved a Resolution against cluster mailbox units in new developments. The Trustees requested where in the Domestic Mail Manual it shows that cluster mailbox units must be used.

District representatives were unwilling to participate in the open session meeting due to their public communications manager being absent. Trustee Garrett made it a point when he spoke to them on the phone about their request for a meeting, and made it clear that it would be a public, open meeting, and all Trustees would be present.

Due to the postal representatives not willing to meet in open session, Trustee Johnson moved and Trustee Haney seconded to adjourn. Vote: Johnson-yes, Garrett-yes, Haney-yes.
