The Concord Township Board of Trustees met in regular session on Monday, June 11, 2012 at the Concord Township Administrative Building. Chairman Karen Koch called the meeting to order at 7:05 p.m. The roll was called; in attendance were Trustees Karen Koch, Joe Garrett and Bart Johnson.

Minutes from the previous meeting were presented. Trustee Johnson moved and Trustee Garrett seconded to approve the minutes. Vote: Koch-yes, Garrett-yes, Johnson-yes.

Old Business

Trustee Johnson inquired about the bee spraying and computer purchases approved at the last meeting. Not completed.

Roads: A Request for Engineering Assistance (REA) has been turned into the County Engineer. There is still no response from the REA for Merchant Road from February 26, 2012. The road crew has been cleaning ditches along Ford Road. Liberty Township is doing both reclamation and chip/seal/fog treatments on their portion of Ford Road beginning June 22, 2012. To treat the entire road, Concord Township's portion would cost \$5850.00. Mr. Johnson moved to work with Liberty Township and have Concord's portion of Ford Road also treated by chip/seal/fog coat for \$5850.00. Liberty Township would have the treatment done and be reimbursed by Concord. Mr. Garrett seconded this motion. Vote: 3-0.

Trustee Garrett has received many comments on how nice Concord Township's facilities are.

A printing estimate for township postcards was received from Eagle Printing & Sign LLC. The cards would be 8.5x11" printed on matte finish cover in full color both sides, and include typesetting, addressing, and postage for 3600 cards. Mr. Johnson moved and Ms. Koch seconded to approve the estimate of \$1566.00. Vote: 2-0, Garrett abstain. Ms. Koch will email them final art and pictures for the postcard.

A window estimate for the township administrative building was received from Northern Window and Door Company. The windows would be \$1534.00 per window, Jeldwen brand, 102x60" parallelogram shape, white exterior and neutral pine interior, insulated, and low-E. The cost to replace all eight windows would be \$12,272.00. National Contracting Group and Advanced Glass will install the windows, including flashing, free of charge. Mr. Johnson will call National and see if the township can order two to install and then monitor for leakage before replacing all. Mr. Johnson moved and Mr. Garrett seconded to approve the purchase of two Jeldwen replacement windows at a cost of \$1534.00 each. Vote: 3-0. It was noted Mr. Johnson sent the WRIST Engineering window report to Assistant Prosecutor Betts for a liability opinion.

Mr. Johnson moved to adopt a Resolution supporting the preferred route of the East Springfield-London-Tangy project by First Energy. Mr. Garrett seconded the adoption of this Resolution. Vote: 3-0. Resolution No. 061112 attached to minutes.

The 1.0 mill Road Levy expires this year. Costs of asphalt, road improvements, equipment replacements and revenue projections were discussed. A spreadsheet will be created and evaluated before levy action is taken.

The Delaware County 2012 Road Improvement Program final estimate and contract for Concord Township was received. Mr. Johnson moved and Mr. Garrett seconded to approve the 2012 Road Improvement cost of \$100,896.62 to be contracted with and completed by The Shelly Company, Thornville, Ohio. Vote: 3-0.

A community shredding day was discussed. No action taken.

A soda vending machine will not be placed at the township building.

The firefighters union committee has received recommendations from the Board of Trustees and will be taking the information back to the union members.

New Business

The backflow prevention testing and a park restroom repair were completed today.

Discussion was held on cemetery monument footers, material cost, installation and cremations.

Zoning Inspector, Ric Irvine, reported the Complaint and Motion for Preliminary Injunction against Nanci Pintavalli was filed by Assistant Prosecutor Betts. After filing, it was found the Pintavalli property on Henderson Drive has been rented for nearly ten years. The property owner has agreed to get the property cleaned up and the chickens removed. Mr. Irvine has also sent a response letter for the complaints on Highlands Drive to Mr. Betts for

review. The month of May had higher than normal zoning permit activity and June has a good start. A records request for the Scioto Reserve development plan (driveway specifications) is also being researched.

The township's noise ordinance was discussed. The ordinance needs revised and updated, and will be sent to Mr. Betts to review.

Operations Director, Todd Cooper, reported the following:

- -The carpet in the community room was cleaned this week.
- -The new locks for the fire department have been ordered.
- -The dumpster at the community building will be replaced by a collection tote that can be hauled to the park and road department. Mr. Cooper and Mr. Betts are working on the Rumpke service contract renewal terms.
- -A fire on Riverside Drive this week was at the original hunting cabin of President Taft. It was noted the fireplace in the cabin contains a rock from all 88 states. The fire & rescue department was also called last week to a shooting of a Worthington man at the site of the old Bellpoint bridge.
 - -The community building passed its ADA inspection for the Board of Elections.
- -The fire department has examined three heart monitors for its medic grant, and will have some funds remaining. Additional purchases will be discussed at next meeting, as well as information on cloud and server options from Zoll Fire EMS reporting.
- -The Sheriff's Office noted Concord Township does not have a policy for soliciting. After discussion, no action taken.
- -Mr. Garrett requested information on new mobile radar detectors for the township. When a mobile unit is purchased, he would like to invite the new Sheriff to a Board meeting to review, then follow up with deputies. In addition, two of the four radar signs in Scioto Reserve are still not working. Mr. Johnson moved and Ms. Koch seconded to approve the purchase of replacement batteries for the two signs at a cost of approximately \$2800.00. Vote: 3-0.
- -Mr. Cooper noted there is only a 60-day, not 6 month, waiting period for purchasing a new dump truck before next winter. Two of the three road department dump trucks have mechanical issues and are showing rust and wear.

Chairman Koch certified the Fiscal Officer has provided current financial reports for the township. Completing business the Fiscal Officer certified funds have been appropriated and money is in the treasury to pay the bills. Therefore, Trustee Garrett moved and Trustee Johnson seconded to approve pending purchase orders, blanket certificates, and warrants 1026-1029, 8744-8770, all totaling \$81,866.05. Vote: Koch-yes, Garrett-yes, Johnson-yes.

Discussion was held on applying for the 2013 Community Park Improvement Grant (CPIG). There are three different levels for the grant funds and the following park improvements were considered: second basketball court, soccer/lacrosse goals, and exercise path. Mrs. Davis will obtain an estimate for a basketball court from the company that completed the second tennis court last year.

Trustees Garrett and Johnson mentioned making improvements to Hill Cemetery, on Dublin Road. Many of the township's founders are buried there and it needs to be preserved. Access to the cemetery is limited, dangerous along Dublin Road, and has no turnaround area. Research will be done on additional property access.

As there was no further business, Mr. Johnson moved and Mr. Garrett seconded to adjourn the meeting. Vote: 3-0.
