Re: Application ZC012020

With the rapidly developing situation with coronavirus (COVID-19) pandemic, nothing is more important to us than the health and safety of our employees, consultants, Concord Township personnel and the public at large. To that end, I am writing today to request a continuance of Concord Township Board of Zoning Commission Hearing Application ZC012020 on March 24, 2020, to be held at date and time when the state of emergency declared by the Governor has been rescinded or modified.

We are requesting this measure because of the information being provided by governmental and public health officials. These are the recommended steps to help mitigate the spread of the coronavirus and to safeguard the health welfare of our employees, our consultants, Concord Township personnel, our families, and the public at large.
