#### **Call to Order**

The Concord Township Board of Trustees met in regular session on Wednesday, June 14, 2017 at 7:00 p.m. at the Concord Township Administrative Building. Chairman Bart Johnson called the meeting to order. In attendance were: Trustees Bart Johnson, Joe Garrett, and Jason Haney. Fiscal Officer Jill Davis, Fire Chief Todd Cooper, Zoning Inspector Ric Irvine, and several guests were also present.

#### **Public Input**

Mr. Doug Reidel from the Delaware County Engineer's office, provided an updated concept plan and costs associated with the Concord Road shared use path with the City of Dublin. Two crossings across traffic would be needed, one at St. Boswell, and one at Tartan Fields Drive. The cost would be around \$220,000. A path up the east side of the road is not a good option. Residents have met with Dublin's City Council also. The concern is the crossing still may not be safe, even if marked. The Trustees will review the updated plan and contact Mr. Reidel with further discussion. It was noted the township's road improvement summer schedule is updated weekly on the Engineer's website.

Kevin of Columbus Garage Floor Coating presented quotes for epoxy flooring for the living areas and equipment bays of the new fire station. The concrete would need light regrinding, then coatings applied. Life expectancy of the flooring would be about ten years, upon which another clear coat could be applied. Varying amounts of non-skid traction can be applied for the bay floors. Prep work is about \$0.75-\$1.00 per square foot, included in the quotes. The projects would take about 3-4 days. Maintenance coats in the future would take about 24 hours. Discussion was also held on tile and vinyl options.

Mr. Garret moved and Mr. Haney seconded to approve minutes of the May 17, 2017 zoning hearing for Riverside and Concord Highlands. Vote: Haney-yes, Garrett-yes, Johnson-yes.

Mr. Garrett moved and Mr. Haney seconded to approve minutes of the May 24, 2017 zoning hearing for Courtyards at Muirfield Ridge (Manley Road). Vote: Haney-yes, Garrett-yes, Johnson-yes.

Mr. Haney moved and Mr. Garrett seconded to approve minutes of the May 24, 2017 regular meeting. Vote: Haney-yes, Garrett-yes, Johnson-yes.

Mr. Garrett moved and Mr. Haney seconded to approve minutes of the special meetings held May 26, 2017 and June 8, 2017. Vote: Haney-yes, Garrett-yes, Johnson-yes.

#### **Old Business**

The damaged sidewalk at Tree Lake and Clear Falls Court was inspected. The Trustees will request the concrete contractor repair the section the next time pouring curbs in the area.

#### **New Business**

Location of a proposed Verizon cell tower was discussed. *Mr. Johnson moved and Mr. Garrett seconded to approve the proposed cell tower location at the new fire station and park grounds at 7990 Dublin Road, and to start the due diligence process of locating a cell tower at the very back of the township property at that site. Vote: Haney-yes, Garrett-yes, Johnson-yes.* 

Resident Andrea Yagoda inquired about subdivisions at Whisper Trace, Turfway Bend, and Irish Hills.

Mr. Johnson moved and Mr. Haney seconded to appoint Trustee Joe Garrett to attend open meeting training on behalf of the Board of Trustees. Vote: Haney-yes, Garrett-yes, Johnson-yes.

Creating a new park plan for 7990 Dublin Road was discussed. The township previously used MSI for Concord Park planning. Mr. Haney will ask resident Faris Planning and Design.

Trash issues along Klondike Road at the pull-off area were brought to the Board's attention. The area is private property, and will be inspected often. *Mr. Johnson moved*

and Mr. Garrett seconded to place no parking and no litter signs, and have chains installed at the township line. Vote: Haney-yes, Garrett-yes, Johnson-yes.

Mr. Haney discussed the mess found at the township building after a recent event. Trash was everywhere, carpet badly stained after just being cleaned, and legs broken on a lobby table to name a few issues. The rental agreement was amended and security deposit increased to \$250 to provide better leverage for damages to facilities. The agreement will be verified by the Prosecutor's office.

#### **Zoning Department**

Zoning Inspector Ric Irvine reported the permit for the Buckeye Valley Elementary School should be ready by end of the week. Epcon has been issued five permits so far for the Courtyards at Price Farms property. Section One of Clarkshaw Moors sign permits are starting. The owner of a property on US 42 has communicated about a shipping container present on the property. The structure is considered a shed and requires permit. Mr. Irvine has also received calls about lot splits, and noted the zoning of the property at SR257 and Mills Road is B-2.

#### Road, Maintenance, and Fire Departments

Tree Lake curb and gutter will be inspected after the next rain event.

The City of Columbus will extend the current fire station lease until the new station is completed. Motion was made by Mr. Garrett and second by Mr. Haney to allow Trustee Bart Johnson to sign the extension agreement on behalf of the Board of Trustees. Vote: Haney-yes, Garrett-yes, Johnson-yes.

The culvert repairs at Rutherford Road will be split between Concord and Liberty Townships (25% each), and the County (50%).

Old road signs were sold on GovDeals.com for \$466.00.

New union officers were selected at the fire station.

A grievance was received at the fire station as part of the drug free workplace testing procedure after an accident. Additional details are needed in the union contract to spell out specific situations when testing will be requested.

Charter Hill Construction plans to finish the fire house and flooring by the end of June. Mr. Irvine noted a DESC permit may be required through the County until grass is seeded.

An updated fire and rescue run report was received for 2016 through May 2017.

EMS billing update: reports need to be sent every two weeks.

It was noted the heroin antidote is used about once every month or two in the township, and is free to our fire/EMS department from the county health department.

Mr. Haney discussed the faulty flooring finishes and proposed remedies for the new fire station. It was agreed Charter Hill should cover cost of the inside areas, and the township originally had epoxy as an alternate for the bay areas. The Trustees would like to hire the epoxy company for both the inside and bay areas, and receive a deduction from Charter Hill for the inside area. Charter Hill would still need to fix the bay floor imperfections, and provide a "finished floor" in the bays prior to epoxy. Therefore, Mr. Johnson moved and Mr. Garrett seconded to hire Columbus Garage Floor Coating to install epoxy flooring in the bay areas at a cost of \$27,730.25. Vote: Haney-yes, Garrett-yes, Johnson-yes. In addition, Mr. Johnson moved and Mr. Garrett seconded to hire Columbus Garage Floor Coating, pending a deduction for the same amount from Charter Hill Construction, to install epoxy flooring in the living areas at a cost of \$11,821.00. Vote: Haney-yes, Garrett-yes, Johnson-yes.

#### **Financial and Other Business**

Change order #G-011 paperwork for Boss Excavation was executed on May 26, 2017 for \$2,822.49 for work that was completed early in the fire station construction process.

An amended (decreased) invoice was received for Charter Hill Construction. Subcontractor for HVAC and plumbing requested a copy of the invoice for percentage of completion versus payment status verification.

Correspondence was received from Habitat for Humanity for a dedication ceremony on June 17, 2017 at 11:00 am.

The road fund tax levy will expire this year, which is used to facilitate road improvements. After discussion, *Mr. Johnson moved and Mr. Garrett seconded to place the one mill levy issue on the ballot for the road fund. Vote: Haney-yes, Garrett-yes, Johnson-yes. Mr. Garrett moved and Mr. Haney seconded to amend the motion as a renewal of the one mil levy (see attached). Vote: Haney-yes, Garrett-yes, Johnson-yes.* 

Chairman Johnson certified the Fiscal Officer provided current financial reports for the township. The current Cash Summary by Fund balances were: General Fund \$5,288,274.01, and Special Revenue Funds (Motor Vehicle License Taxes, Gas Tax, Cemetery, Road, and Fire Funds) \$3,761,687.79.

The Fiscal Officer certified funds have been appropriated and money is in the treasury to pay the bills. Therefore, *Mr. Garrett moved and Mr. Haney seconded to approve all pending purchase orders, vouchers, and warrants #1618-1626, 12912-12941 (void 12942-12946), all totaling \$377,168.47. Vote: Haney-yes, Garrett-yes, Johnson-yes.* 

It was noted Frank Harmon of Ohio Insurance Services Agency will attend the June 28, 2017 meeting regarding the township health insurance renewal. Mr. Johnson met with him today. Additional quotes will be requested from Burnham and Flowers Insurance group.

Correspondence was received today from a resident interested in applying for a medical marijuana facility permit. State of Ohio form was certified that current zoning is applicable for ag use at the property, and the township has not prohibited such a use.

A special meeting with County representatives was set for June 15, 2017 at 2:00 pm.

The biannual audit of the township financial records and procedures by the State of Ohio Auditor's Office will begin Monday.

The Bean Oller Road culvert ditch repairs are not done yet.

Township work hours and Angie Ellerbrock will be 8am-2pm Monday-Thursday. Mr. Garrett would like the cemetery reclamation process started.

Mr. Johnson moved to enter into Executive Session to discuss personnel issues and possible land acquisition. Mr. Garrett seconded this motion. Upon roll call vote: Haney-yes, Garrett-yes, Johnson-yes.

The Trustees returned to Regular Session at 10:25 pm.

Mr. Johnson moved and Mr. Garrett seconded to authorize Operations Director, Todd Cooper, to hire part-time road employees at his discretion at the rate of \$15.00 per hour. Vote: Haney-yes, Garrett-yes, Johnson-yes.

As there was no further business, Mr. Garrett moved and Mr. Johnson seconded to adjourn. Motion passed unanimously.
