#### Call to Order and Roll Call

The Concord Township Board of Trustees met in regular session on Wednesday, October 11, 2023 at 7:00 p.m. at the Concord Township Community Building, 6385 Home Road, Delaware, Ohio. Chairman Bart Johnson called the meeting to order and the roll was called; attending were Trustees Bart Johnson, Joe Garrett, and Jason Haney. Staff present included Zoning Inspector Irvine, Fire Chief Cooper, Road Supervisor Wilgus, and Fiscal Officer Davis. Several guests were also in attendance.

#### **Approval of Minutes**

Mr. Haney moved and Mr. Johnson seconded to approve the minutes of the previous meeting. Vote: Haney-yes, Garrett-abstain, Johnson-yes.

#### **Public Input**

Doug Riedel, Delaware County Engineer's Office liaison, gave the following updates:

- 1- Scioto Township conducted a speed study on Calhoun Road which indicated a 47mph comfortable traveling speed. Scioto Township Trustees approved a Resolution to recommend changing the speed limit from 55mph to 45mph on Calhoun Road from the Concord Township line to Penn Road.
- 2- After consideration, Mr. Garrett moved and Mr. Haney seconded to adopt Resolution #23-1011-1 to approve changing the speed limit from 55mph to 45mph on Calhoun Road (TR152) between Mills Road (CR150) and Russell Road (TR161)/the Scioto Township line. Vote: Haney-yes, Garrett-yes, Johnson-yes.
- 3- The Trustees requested Road Supervisor Wilgus submit a Request for Engineering to the County Engineer's Office to also decrease the speed limit on Russell Road from Calhoun Road to the township line.
- 4- Stealth data was collected on South Section Line Road and forwarded to the County Engineer's office and the Courtyards at River Bluff Homeowner's Association. The comfortable traveling speed indicated was 53-54mph (85th percentile speed). Mr. Riedel believes 45mph will be the minimum speed posted and confirmed Section Line Road is designated as a county thoroughfare. In order for accidents to be considered, a full evaluation would need completed.
- 5- A resident email inquired about a pump station at Tillinghast Dr.
- 6- A special Trustees meeting was scheduled for October 30, 2023 at 8:00 am. The purpose will be annual road evaluations for next year's road improvement program. The meeting will begin at the township Road Department, 7860 Dublin Road, Delaware, Ohio, and continue along township roads. Road Supervisor Wilgus and Mr. Riedel will join the Trustees.
- 7- This year's road improvement program has been completed, and Road Supervisor Wilgus has inspected the improvements made by The Shelly Co. Therefore, *Mr. Garrett moved and Mr. Haney seconded to accept the 2023 road improvement program approval form. Vote: Haney-yes, Garrett-yes, Johnson-yes.*
- 8- Mr. Wilgus reported the cul-de-sac repairs at Springwicke and Crowberry Courts are holding up well.
- 9- Mr. Irvine inquired about the speed limit on Concord Road across from Tartan Fields near Eli Pinney school. The county thinks the speed limit is 45mph, but our township signs are 35mph, so Mr. Love at the County Engineer's office will be consulted.

#### **Financial Report**

 Total All Funds \$13,924,142.71

- Mr. Garrett moved and Mr. Haney seconded to approve pending purchase orders and warrants # 90-92, 117373-117423, excluding 117380, all totaling \$173,884.39. Vote: Haney-yes, Garrett-yes, Johnson-yes.

#### **Zoning Department**

- Mr. Irvine reported only two zoning permits were issued since the previous meeting.
- The Board of Zoning Appeals heard a case on October 3 for a front setback on Klondike Road which was approved.
- No further progress on the Riverside Drive/Clancy property. The attorney is working to reach the civil prosecutor.
- Mr. Irvine noted the Delaware County Regional Planning Commission has a new chairman, and a change in meeting times was proposed for the first of the year. If rescheduled during the work day, Mr. Irvine will be unable to attend the meetings on behalf of the township.
- The County Building Department is moving on Friday into the Byxbe Building. The existing building on Channing Street will be turned into Section 8 housing.

#### **Road/Park Department**

- Mr. Wilgus has the CDL theory training set up for road department employees.
- The shelter house builder will be starting next week. Then the concrete pad will be poured.
- A crosswalk request was received for Dublin Road/SR 745 to connect to Concord Park. A picture and info will be sent to ODOT for their evaluation.
- The Hustler 104 mower needs a new crankshaft, which is backordered 1-3 months. Once fixed it may be traded against another 96" Exmark.
- The stealth radar data was sent to the Trustees for review.
- Three resumes have been received in response to the road department job posting. Trustee Garrett and Mr. Wilgus will interview candidates.
- Manpower for snowplow season was discussed. Mr. Wilgus has five fire department employees as backups for snowplow season.
- Predictions were recorded for the "first plowable snow" dates. Bragging rights for the year will be awarded (to be reported at a later date).

#### **Old Business**

- The Open House went extremely well last weekend. Many thanks to Jack Guyton for putting together the event, and to Kyle and Paige McIntire for running the kitchen. The turnout was great, the weather was perfect, and the switch to Sunday afternoon was positive. About 100 smores were made, 200 ice cream cups disappeared fast (could use double next year), the pizza was all gone, and the City BBQ was the right amount. It was noted the hay ride was shorter this year due to a cross country meet at the park at the same time.
- School notices were revised and delivered Tuesday for a proposed Tax Increment Financing (TIF) area on Concord and Merchant Roads, to be considered for action on October 25.

#### **New Business**

- Clarification was requested on renting the township building twice per year per residence or per property? per residence, regardless of how many properties are owned.
- A locksmith will be at the township building tomorrow to fix the side door lock.
- The security cameras can now be viewed on a monitor in the Administrative Assistant's office. The purchase order needs monitored for additional future work.
- Mr. Garrett moved and Mr. Haney seconded to approve hiring Rinehart Legal regarding research, development trends, and strategies, etc for future township development, at a cost of \$2,000 per month for twelve months, beginning October 2023. Vote: Haney-yes, Garrett-yes, Johnson-yes.

#### **Fire Department**

- Chief Todd Cooper reported the Delaware County EMS Advisory Board has a new way for departments to maintain their certifications for CPR, PALS and ACLS through the County.
- The new Pierce Quint fire truck will be inspected October 23-26 in Wisconsin. If satisfactory, the truck will be driven back to Ohio on October 26. It will then go to Akron for installation of shelving, and should be in service in November. Credits on the purchase price will cover the shelving cost.
- Purchase of equipment for the new fire truck was listed: fire hose, thermal imaging camera, vehicle extrication equipment, roof saw, nozzles, gate valve, misc wrenches, caps, adapters.
- Firefighter/lifesaving award will be presented at the November 9 Trustees meeting.
- The second heart monitor that was backordered should arrive in December.
