The Concord Township Board of Trustees met in special session on Wednesday, January 18, 2023 at 10:00 a.m. at the Concord Township Administrative Building, 6385 Home Road, Delaware, Ohio. Chairman Bart Johnson called the meeting to order and the roll was called; attending were Trustees Jason Haney, Bart Johnson, and Joe Garrett.

The purpose of the special meeting was for the Trustees to meet with the township's grant writing consultant for potential grant requests.

Mr. Allen Freeman with 50 +1 Public Policy gave an overview of the grant landscape and the opportunities in Ohio. \$1.9 billion of American Rescue Plan funds are available with no earmarks at the state level. This means there should be increased funds for grant opportunities for the next two years. Possible projects were discussed:

- Maynard Rd Drainage issues
- Shared use path to finish off the connection to Liberty township
- Park possibilities such as Restrooms, Shelters, and additional courts. Mr. Freeman is pursuing grant opportunities for these specific projects.
- Opportunities for grants in the fire service were also discussed.

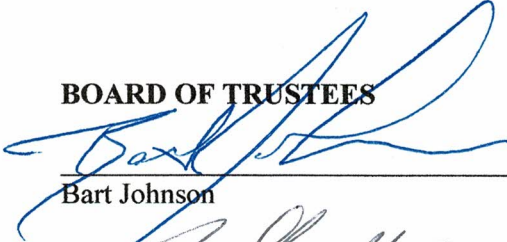

Additional opportunities were discussed throughout the township more from a big picture point of view and not necessarily specific projects. Mr. Freeman will continue to look for grant opportunities for the township as they arise.

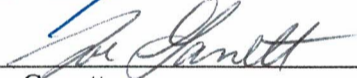

With no further business, Mr. Haney moved and Mr. Garrett seconded to adjourn. Vote: Haney-yes, Garrett-yes, Johnson-yes.
